Dear All,

I do hope your all doing OK and looking forward to Christmas!
This note is a

REQUEST FOR YOUR POSITIVE EXPERIENCES WITH HOMEOPATHY

I've been keen for a while now to share with others the incredible positive changes I've seen in my patient's health and well being. Would you like to share your experience with others? My hope is it will inspire and, or open their eyes to the fact that homeopathy is a wonderful healing system of medicine and try it for themselves.

If you are keen to share just phone me or if you'd like to put your experience in your own few lines that would be fantastic! All of your details will be anonymous.

My aim is to publicise your stories in the major daily and local newspapers, on flyers, in my brochures and on my web site.

Looking forward to hearing from you, lots of you! And some of you I haven't seen in ages, it would be lovely to just hear how you're doing!

Best wishes

Denise Clark
